## Prototype Design

### Design Requirement

Select your design

Existing  
Concepts

### Components by

Select your component provider

Component:  
SCHWITZTEC

### Quantity of prototype ending

Input Quantity

1 2 3 4 5 6 7 8 9 10  
Order Submit Cancel

### Components List

Select your components and their quantity

### Using Program During Test

Select the test

Yes  
No

### PCB Requirement

Layer: 1 2 4 6

Material Base: FR4 Aluminum

PTH: 1

Color PCB:     
  

Thickness:

Layer: HASL with lead HASL LeadFree ENIG-RoHS

PTH: YES NO

Using Prime Test: YES NO

Gold Fingers: YES NO

Surface Mountable File: YES NO

Covered Hole: YES NO

Outer Copper Weight: YES NO

### Description

Write the details of your project here

Mini USB Charger

## Upload File

Documents: Gerber, zip, pdf, jpg, png, hspg, and others
